VISITES DE CHEMINS DE FER MINIATURES
DE LA CAPITALE

Welcome to the second annual *Capital Region Model Railway Tour*. Once again, local modellers have offered to open their layouts for the day and host visitors who would like to see what model railroading is all about.

Please note: this is not a “house tour”!

The objective is for us all to share in the experience - visitor and layout owner alike. Respect the owner’s home and stay in the designated railway tour areas only. If you have children in your group, please ensure that they are supervised at all times.

We hope that you have a great day model railroading. If you have any questions, please ask us!
